### **Bangers and business for breakfast in Faringdon**

**National business networking group 4Networking are relaunching their Faringdon group on 2<sup>nd</sup> September 2010 at Sudbury House Hotel.**

Having run a successful and vibrant breakfast group at Carswell Golf Club for over three years, 4Networking are relaunching the group at Sudbury House Hotel because of the number of independently owned businesses that exist in the town.

4Networking Area Leader for Oxfordshire, Alison Neale explains: "I've been doing business in Faringdon for years now and know what a strong business community there is here, so it just made perfect sense for us to meet closer to the centre of town. We know that there are hundreds of privately owned businesses in the town alone, and even more in the villages and business parks around. Our format gives business owners the ideal opportunity to meet and promote themselves."

The 4Networking format is unique. Over a relaxed and informal breakfast, members and visitors can meet each other, hear about each other's businesses and have three short business appointments, all before 10am!

Faringdon Group Leader Janet Gibbons of Ardington Archives says, "I wanted to promote my business so attended the Faringdon 4Networking meeting earlier this year. I liked the format so much that I have now taken over running the group! We're looking forward to the relaunch at Sudbury House Hotel and hope to have lots of local businesses booking in."

The Faringdon group meets every other Thursday, beginning on 2<sup>nd</sup> and 16<sup>th</sup> September. There are other groups locally in Witney, Oxford, Abingdon, Swindon and at 200 other towns around the UK. Anyone who would like to attend simply needs to contact Alison Neale on 01367 888229, email [alison@theprooffairy.com](mailto:alison@theprooffairy.com) or visit the 4Networking website at [www.4networking.biz](http://www.4networking.biz)
